

## Vision and Mission Statements

### **The Empowered Girl Alliance Vision**

We envision living in a conscious culture where every girl is self-identified and empowered by the knowledge of who she is and all she has to offer.

### **The Empowered Girl Alliance Mission**

It is our mission to develop engaging programs that inspire adolescent girls to identify themselves as beautiful, powerful, and valuable young women. In addition, it is the mission of the EGA to cultivate sustainable mentorship networks to affirm these girls by accepting and admiring them for who they are, by encouraging them to be all they can be, and by providing a safe place for them to share the details of their life journey.
